Notes: For family, pregnancy, and children's medical coverage groups, enrollment prior to 10/1/13 is shown in the **Non_Magi** row, and enrollment after 10/1/13 using the new eligibility rules is shown in the **MAGI** row. It is expected that all enrollees in family, pregnancy, and children's medical coverage groups will transition to MAGI over the next eighteen months as they come up for renewal. For Aged, Blind, and Disabled medical coverage groups enrollment counts distinguish those who have Medicare coverage in addition to Medicaid coverage on the **Dual Eligible** row, and those without Medicare coverage on the **Non Dual Eligible** row. Adults are persons age 19 and older, children are persons under age 19. Fee for Service includes Primary Care Case Management (PCCM) clients. Managed Care includes persons enrolled in health plans that are paid a monthly capitation rate to service enrolled clients (Excludes PCCM enrollments). Total Eligible = sum of Fee for Service and Managed Care enrollees. **The 3 most current months are preliminary numbers.**
